Dear Sir:-

Respectfully referring to your schedule of supplies for the ensuing year, Classes 2, 3 & 21, would report that we should like to bid upon these but it would be necessary for us to have a little more information before we could make proposal understandingly.

2. over — 2.- And will you please advise us, as to the rolled sheet copper, the sizes of sheets and thickness required? And as to the oilers and colanders, the make and size required?

3. over — 3.- As to the Copper Ingot, will you please give us the test to which to be submitted in the Mint assay?

4. over. — 4.- As to the granulating cups, will you please advise as to the make and size? And the Copper Bars, as to the size required for these?

5. over. — 5.- Also as to the copper wire, what is the diameter required? And have you any specifications or blue print showing the Copper Steam Kettle, the Copper Wash Kettle, and the Copper Drying Pan required?

6. over. — 6.- As to Class 5, Zinc, in what form is this required?

Trusting to be favored with early response that we may be able to make proposal to exactly meet your requirements, we are,

Yours truly,

W. E. Drew, Agent.
